QUARTER OF  
A CENTURYA Sketch of the Chinese  
Y. M. C. A.

## WRITTEN BY MR. GOO KIM

REAL ESTATE TRANSACTIONS.  
He Tells of the Early Days of Proselytizing Among His Race  
Here,

The following is a brief history of the Chinese Young Men's Christian Association of Honolulu from the date of organization to June 12th, 1900, the 25th anniversary, by Goo Kim, Chinese Vice Consul, translated into English by Wm. Y. Kwai Pong:

This Chinese Y. M. C. A. was formed in the year of our Lord 1875, for the purpose of spreading the Gospel of Jesus Christ among the Chinese. At that time there were very few Chinese residents in these islands who had ever heard of God and of our Savior Jesus Christ; but there was a good Chinese Christian, Seu Hung by name, who was the first man to preach the Gospel to us at Bethel church, and who also opened a night school for the study of English. This was the beginning of the work to Christianize the Chinese in these islands. But not long after Mr. Seu Hung left for China, together with his family. During this period when we had no pastoral aid, we were assisted by a certain member of a brotherhood society, whose name I cannot recall, who sympathized with us because as flock we were without a shepherd.

He suggested the plan to send to San Francisco to secure a Chinese pastor to aid the Christian work in Honolulu, and we succeeded in securing a man named Mr. Sit Moon. After his arrival in Honolulu, he at once went to work and preached the Gospel to the Chinese at Bethel Church, where Father Dingley had kindly let us hold our services and had kindly helped us to a cows durable extent. Yet there were very few who came to hear the Gospel and sometimes none at all, and it was a pity that the work progressed so slowly.

One day Mr. Sit Moon came to my store on Nuuanu street. There we met Mr. Lee, the present secretary of this Y. M. C. A., and we considered what steps should be taken to spread the Gospel in the Hawaiian Islands among our nationality. Mr. Sit Moon said we should open a Young Men's Christian Association, for the benefit of those who wished to study the gospel, and this met with our hearty approval. Mr. Lee gave \$100, H. \$100, and Sit Moon \$20 to start a fund. The first Y. M. C. A. meeting place was in Bethel church. With the assistance of Father Dingley we held an enthusiastic meeting, and six new members joined at this first meeting, whose names are as follows: Yap Ten Siau, Chee Fook, Chun Fook, Lee Sam, Choi Yee and Wong Yuen Tsin. Thereafter the members decided to hold meetings every Tu-day to study more about Jesus and His gospel. It was not until November 18, 1877, that we adopted our constitution and by-laws, drafted by the Hon. S. B. Dole, the President of the Republic of Hawaii, and soon to be our Governor, who helped us greatly to secure a charter from the Government. President Dingley has been very kind to us, for he did not charge us anything for the work he had done. In 1878 the expense for the maintenance of this association having increased, it was decided to open a crockery store on Nuuanu street for the purpose of using its profits to support the association. The upper floor we turned into a spacious hall, and provided with books and magazines for the benefit of its members. In the same year we bought a burial lot at Makiki for the interment of the bodies of its members who had gone to the world beyond. In 1881 the Chinese church was completed, and we moved our association to the new Chinese church parlor, and provided a fund of \$100 for the support of the pastor and \$35 for the janitor from the treasury of the C. Y. M. C. A. In 1884 we bought a piece of land at Palama at the price of \$2,500.00. In 1885 the membership increased largely and the church parlor was not large enough to accommodate the members. We again decided to buy a lot and build a Y. M. C. A. building; each member subscribed liberally towards the building fund, and on December 3 of the same year this building was completed. The opening ceremony was performed with much singing and praises to the Lord, also refreshments were served at the end. The total costs of this building and lot being over \$5,000.00. Since we have had this new association we have opened a school for boys, and also provided rooms for the use of people arriving from the country. We have a regular business meeting the first Tuesday of each month, and have prayer meetings every Sunday from 6 to 7 p.m.

"When Lafayette came back to this country after the Revolution," said Major A. C. Sharpe, former Judge Advocate general of Porto Rico, in a Washington interview the other day, "he inquired what had become of the common people. He referred to the passing of distinctive dress for people of the professional class. These dress distinctions, which used to be in the colonies, prevail in Porto Rico. It is possible to distinguish a lawyer, a newspaper man, a doctor or a priest by his daily garb. But even in Porto Rico that will disappear in time under American administration. 'The hostility to Americans in Porto Rico,' added Major Sharpe
